

At every Bar None Barbecue event, our staff arrives at least two hours in advance of your buffet serve time to set up the chuckwagon, ignite the red oak wood, and begin cooking our entrees. When your guests arrive, they can follow their noses to the smoky aroma of our live fire.

Bar None Barbecue's catering minimum is 75 guests except Saturdays from June-August and all weddings which have a 100-guest minimum.

Higher guest minimums may apply for certain locations, dates, requirements, etc.

Complimentary veggie burgers are provided for vegetarians.
